

About SAA

The Student Accommodation Association Incorporated (SAA) is the representative body for quality student accommodation providers in Australia. SAA represents the interests of our members and has a profile of being a reputable body of engaged industry participants within the commercial, government and education sectors. We serve to inform policy and planning, pertaining to the definition, assessment and development of student accommodation. We seek to create value to consumer and operators in the sector, and aim to facilitate a considered voice for all participants. More information on SAA found at www.studentaccassoc.com.au.

Defining Student Accommodation

SAA defines student accommodation as –
“Accommodation for the exclusive use of students.”

Membership Structures

Executive Member

Each Executive membership is categorised by key attributes to identify their contribution to the sector and their entitlements within the Association. These attributes are -

- sector (*i.e. College, PSBA etc.*);
- region (*i.e. states where operating*);
- number of facilities; and
- association voting rights.

Executive Members must operate a minimum of 50 beds, and may operate across multiple attributes, however the most dominant attributes may, as determined by the SAA Applications Committee, prevail as the primary category for this applicant.

Categories (Step 1)

Category 1 - Purpose Built Student Accommodation

Accommodation and facilities specifically designed and utilised for the exclusive use of students. Operated by experienced student accommodation providers who demonstrate a commitment to residential community engagement.

Category 2 – University Managed / Education Provider

- a) An educational institution that operates student accommodation for the exclusive use of students; or
- b) An educational institution that facilitates and monitors access to student accommodation.

Category 3 - Residential Colleges

Accommodation and facilities for the exclusive use of students demonstrating priorities around quality pastoral programs, academic support, sporting, cultural and leadership development opportunities.

Category 4 - Managed Student Housing Portfolios or Hostels

- a) Residential student housing portfolio of 50 beds or more, operated by experienced student accommodation providers specialising in quality shared rental properties for the exclusive use of students; or
- b) Student Hostels - Accommodation and facilities specifically designed or adapted for the exclusive use of students. Operated by experienced student accommodation providers specialising in providing low cost accommodation for short to mid-term periods.

Regions (Step 2)

The five (5) regions defined for representation with the Association are –

1. South Australia & North Territory;
2. New South Wales & Australian Capital Territory;
3. Victoria and Tasmania;
